Sir:

Applicant submits herewith patents and publications which may be material to the examination of this application and in respect of which there may be a duty to disclose in accordance with 37 C.F.R. §1.56. While this Statement may be "material" pursuant to 37 C.F.R. §1.56, it is not intended to constitute an admission that any patent, publication, or other information referred to therein is "prior art" for this invention unless specifically designated as such. A listing of patents and publications is shown on enclosed Form PTO/SB/8A, and a copy of each patent and publication not previously cited is also enclosed.

The undersigned hereby certifies that each item of information contained in this Information Disclosure Statement was cited in the International Search Report in a counterpart PCT application not more than three months prior to the filing of this statement. The International Search Report was mailed December 15, 2003, and a copy of the search report is enclosed herewith. There is therefore no fee associated with this filing.

If there are any fees or credits due, authorization is given to charge or credit our Deposit Account No. 50-2319 (Order No. A-72153/AJT(463031-97)).

Respectfully submitted,
